

## **Military Bases Directory:**

Compiled By: Paul S. Williams ( [GammaHammer](#) )

[note: I'm certain that this list is NOT current as of 10/03 due to base closers, however, it is my contention that this hardly matters, as at any given time bases come and go, and the GM should simply pick a favored period and or assume the bases still exist in the timeline]

Source Data Last Updated: 07/02

This list is compiled for entertainment purposes only. This document is intended as a resource for the development of other Role Playing Game resources and materials. Please do not distribute without permission and/or without crediting information.
